BID #17-019 GENERAL OFFICE, PAPER & ART SUPPLIES

Background

Bid specifications for General Office, Art & Paper Supplies were posted on the District website on March 14, 2017 and published in the Daily Herald newspaper on March 17, 2017. Bid documents were sent to fourteen vendors. Seven bids were received and one no bid.

The General Office, Paper & Art Supplies bid consists of miscellaneous art, writing, paper and classroom supplies which in the past were stored at the Central Distribution Facility. This year we are moving to a "Just in Time" delivery system. This will allow more flexibility for our district in terms of product selection, product pricing and delivery time. Under this new system, our district will have access to a wider selection of products with an additional 40% off catalog price. Orders placed before 4:00 pm will arrive the following day at no cost for shipping.

Recommendation

It is recommended that the Board of Education award a contract to School Specialty for a one-year contract with an optional additional one-year renewal. The anticipated total contract amount is estimated to be \$500,000. This is based on the previous year usage with in the district. Recommendations are based on the vendor's ability to best meet the needs of the district with manufacturer discounts, rebate incentives, delivery service and selection of products. This bid is budgeted in the supply accounts in the Educational Fund, Operation and Maintenance Fund and Transportation Fund for 2017-18 school year.

Bid documents are on file in the business office for review.
