RE: Action Item – Bid #18-007 Pot/Pan/Utensil Dishwasher

Background

Bid notice #18-007 Pot/Pan/Utensil Dishwasher was published in the Daily Herald and posted to our website on September 28, 2017. Bid specification were sent to five vendors. We received six responses, including one bid submitted late.

Our current dishwasher located in the central kitchen is 28 years old and no longer can function properly. The parts required to repair the current model are discontinued and hard to acquire. We have a tentative (pending board approval) installation date over Thanksgiving break so the normal school day is not interrupted during installation and performance testing.
