“Mi más grande pasatiempo es estar siempre en convivencia con mi familia. Tener la oportunidad de ayudar a la comunidad es un orgullo; saber que con muy poco puedes hacer una gran diferencia en la vida de las familias, te hace crecer como persona. Una de mis frases favoritas del autor Dieter F. Uchtdort es la siguiente: *Es tu reacción a la adversidad, no la adversidad en sí , lo que determina cómo se desarrolla la historia de tu vida*”.

“My favorite passtime is always being with my family. Having the opportunity to help the community is a source of pride, and knowing that with very little you can make a big difference in the lives of families, makes you grow as a person. One of my favorite quotes from author Dieter F. Uchtdorf is as follows, *“It is your reaction to adversity, not the adversity itself, that determines how the story of your life unfolds.”*”
