

HUNTING RIDGE ELEMENTARY SCHOOL PTA

2020-21 Welcome from the PTA President

August 12, 2020

Welcome to a school year like no other! While there may be many unknowns for the year ahead, one constant will be the Hunting Ridge PTA's dedication in continuing to provide programs, activities, and opportunities to enrich the learning experiences and social-emotional growth of our students.

This year's mantra: **COMMUNITY & CONNECTION!**

We have launched a **NEW WEBSITE** (<https://www.ccsd15.net/hr-pta>) to be your central location for all things Hunting Ridge PTA. As the year unfolds, stay **connected** by checking back for updates and new information.

- Check out our Upcoming Events
- Mark your Calendar
- Become a Member
- Discover MemberHub
- Shop our online School Store
- Link to our 3rd party vendors
- Learn all about our PTA
- Meet our Leadership Team
- Find opportunities to Volunteer
- Choose ways to Donate
- Find Parent & Student Resources
- And much more...

Joining the Hunting Ridge PTA is a great way to start making **connections** and building our **community**. This year we are also introducing **MemberHub** directly to our members. This platform provides additional tools to **connect** and engage with our PTA **community**. Staying **connected** is especially important as we learn to operate in an almost exclusively virtual way. Learn more about MemberHub [here](#).

Save the Date – Saturday, September 19th to **connect** with your student(s) and support our **community** by registering to participate in our annual **Hawk Hustle 3K Virtual Fun Run**. Still our same beloved tradition, just in a slightly different format. For more details and to register go to: <https://hrhawkhustle.com>

Whatever this year has in store, I trust we will flex and adapt as needed to succeed for our school and students. Some of our programs will continue as usual, many will be modified, others will be reimaged, and new ones may be created.

I am so grateful to be part of the Hunting Ridge PTA **community**. We are undoubtedly stronger together.

Stay safe and **connected**,

Lisa Corrao
