RE: Community Recognition

COMMUNITY GARDEN - D15 FAMILY VOLUNTEERS:

We would like to recognize for this local family for its work in the Community Garden this past summer:

Rocio Castro (mom)

Kids: Sofia R. (4th Grade - SRP), Santiago R. (1st Grade- Paddock), & Jackie R. (8th Grade- PG)

Background on the Community Garden:

We have approximately 120 servings of vegetables per week and 15-25 people involved most nights. I-Compete provides drop-in activities for the children for some of the evening and the rest of the time they help their parents in the plots. The garden has been a collaborative POC program for 6 years. It began as an outreach between the Palatine Fire Department and the POC leadership program called ROLE and has now grown to include the Palatine Park District, local churches and businesses and provides numerous community service volunteer opportunities for District 211 students.
