Ann Scully, Assistant Superintendent • Student Services

Dear Parent/Guardian,

If your child receives special education services and is also Medicaid eligible, Palatine CCSD15 can seek partial reimbursement from Medicaid for health services documented in your child's Individualized Education Program (IEP). Medicaid reimbursement is a source of federal funds approved by Congress to help school districts maintain and improve diagnostic and therapeutic services for students.

The reimbursement process requires the school district to provide Medicaid with your child's name, birth date and Medicaid number. Federal law requires annual notification of our intent to pursue this reimbursement opportunity.

If you approve of the release of information to Medicaid, **do nothing**.

If you object to the release of information to Medicaid, now or at any time in the future, please state your objection in writing and forward it to:

Ann Scully  
Assistant Superintendent for Student Services  
CCSD15  
580 N 1<sup>st</sup> Bank Drive  
Palatine, IL 60067

Regardless of your decision, the district must continue to provide, at no cost to you, the services listed in your child's IEP.

***This program has no impact on your child's or your family's current or future Medicaid benefits.***  
Under federal law, participation in this program CANNOT:

- a) decrease lifetime coverage or any other public insurance benefit,
- b) result in the family paying for services that would otherwise be covered by Medicaid,
- c) increase your premiums or lead to discontinuation of benefits or insurance, or
- d) result in the loss of eligibility for home and community-based waivers.

Your continued consent allows the district to recover a portion of the costs associated with providing health services to your child.
