MEMORANDUM

DATE: August 14, 2019
TO: Board Of Education
FROM: Dr. Meg Schnoor
RE: 8th Grade Social Studies Materials Adoption

In accordance with Board Policy, the following activities were completed as part of a comprehensive review of materials to be adopted to address the new Illinois Social Studies Standards and C3 Framework for K-8 students.

- In November of 2017, the Department of Instruction began the review process of the social studies curriculum and material alignment to the new Common Core Social Studies Standards and the C3 Framework. After a thorough review, completed with the Illinois Quality Review Rubric for Social Science Lessons & Unit, it was determined that the current social studies materials did not align with the new standards and framework. In addition, the content, published between 1999 and 2002, was outdated.
- A Social Studies Curriculum Committee was convened, comprising of staff representatives of grades K-8 classroom teachers, special education resource, bilingual education, literacy, instructional coaches, and instructional technology coaches. The committee was provided social studies training based on the latest research-based practices, Common Core Standards, the C3 Framework, and the Illinois Quality Review Rubric.
- Members of the committee piloted two programs during the months of March and April 2018, and ultimately selected TCI History Alive! and Social Studies Alive! Materials for grades K-8. The TCI materials are current and consistent with research-based practices, Common Core Social Studies Standards, and the C3 Framework. These materials also align with our 1:1 Chromebook and technology initiatives.
- Because neither TCI nor Pearson had a completed 8th grade revision that aligned to the new Common Core Social Studies Standards and the C3 Framework it was agreed that 8th grade teachers would pilot the TCI program for one year (2018-2019) and then determine which program best-fit district and state standards.
- In May 2019, the eighth grade teachers voted to recommend the formal adoption and implementation of the Pearson "My World Interactive" program for the 2019-2020 school year. A set of materials is available at the district office for parents and community members to review. A comment sheet is also available.
- At the June 2019 Board of Education Meeting this expenditure for 8th grade social studies materials was approved for a total of \$191,788.25 with 2019-2020 Department of Instruction funds.
- In June 2019, the purchase orders were revised to separate textbooks from online products. The total cost remains the same at \$191,788.25. Textbooks totaling \$145,409.95 were purchased in June 2019 from 2019-2020 Department of Instruction funds. The online materials for Project Imagine, totaling \$46,378.29 will be purchased in August 2019 from 2019-2020 Department of Instruction funds.
