Accordingly, Contractor shall ensure that none of its employees, agents or independent contractors are child sex offenders. Child sex offenders found to be present on school property without permission will be considered trespassers and will be prosecuted in accordance with Illinois law.
18. Bids will be considered only if made without any connection with any other person or firm submitting a bid, if in all respects fair and without collusion and if neither member of the Board nor other officer of the School District is directly or indirectly interested in the bid or in any portion of the profits thereof.
19. A bidder may withdraw or change a bid if written notice of the withdrawal or change is received by Board before the latest time specified for submission of bids. Any change may be made only by substitution of another bid.
20. Bids received after the time specified in the invitation to bid will not be considered and shall be returned to the bidder. The method of transmittal of the bid proposal is at bidder's risk of untimely receipt by the Board.
21. Title to the goods herein described shall not pass until said goods have actually been received by Board or its consignee, notwithstanding any agreement to the contrary, including, but not by way of limitation, any agreement to pay freight, express, or other transportation or insurance charges. Risk of loss prior to such actual receipt by Board or its consignee shall be borne by Contractor. Nothing herein contained, however, shall be construed to deprive Board of its interest, or limiting such interest, in goods herein described prior to such actual receipt.
22. All material and workmanship shall be subject to inspection and test by Board or its designee. The Board reserves the right to reject any goods which contain defects in material or workmanship, which fail to meet the specifications contained herein or any warranties (express or implied). Rejected goods shall be removed at the expense of the Contractor, including all transportation costs, promptly after notification of rejection. As to rejected goods, Contractor shall bear all costs of inspection and all risk of loss.

23. Payment by the Board for goods supplied hereunder shall not constitute acceptance thereof if subsequent inspection discloses defects in material or workmanship or a failure to meet the specifications contained herein.
24. Purchase order number and vendor name must appear on each invoice submitted to the Board for payment.
25. Signature Constitutes Acceptance - The signing of these bid forms shall be construed as acceptance of all provisions contained herein and that the Contractor had read the Contract Documents and is fully aware of the terms hereof.
26. Exceptions – Any exceptions to these terms and conditions of deviations from the written specifications must be shown in writing and attached to the bid form.
27. The Board reserves its rights to reject any goods and to cancel all or any part of this sale if Contractor fails to deliver all or any part of the goods described in the invitation to bid in accordance with the terms, conditions, and specifications contained herein. Acceptance of any part of the goods covered by the invitation to bid shall not obligate Board to accept future shipments nor deprive it of its rights to revoke any acceptance theretofore given. If Contractor ceases to conduct its operations in the ordinary course of business (including inability to meet its obligations as they mature), or if any proceeding under bankruptcy or insolvency laws is brought by or against Contractor, or if a receiver for Contractor is appointed or applied for, or if an assignment for the benefit of creditors is made by Contractor, Board may cancel this order without liability except for deliveries previously made or for goods covered by the invitation to bid then completed and subsequently delivered in accordance with the terms, conditions, and specifications contained herein.
28. Contractor makes the following warranties to Board and users of the goods herein described: (a) It will, at the date of delivery, have good title to any and all goods supplied hereunder, and said goods will be free and clear of any and all liens and encumbrances; (b) Any and all goods supplied hereunder will be of merchantable quality; (c) Any and all goods supplied hereunder will be fit for the particular use intended, will be free from defects, whether patent or latent in material or workmanship, and will be in full conformity with the specifications contained herein. Contractor agrees that the foregoing warranties shall survive acceptance of the goods, and that said warranties shall be in addition to any warranties for additional scope given to Board by Contractor.
29. Contractor agrees to indemnify, defend, and hold harmless the Board, its successors, assigns, customer, agents, and users of the goods herein described against any and all loss, damage, or injury arising out of or resulting from a claim or suit for alleged infringement or any letters patent granted by the United States or any foreign government relating to the goods herein described. Contractor agrees that it will assume the defense of any and all such suits and pay all costs, judgments, and expenses incidental thereto.
30. Bidder must make delivery upon receipt of order unless otherwise specified in the invitation to bid. Bidder must indicate time required for delivery on bid.
31. The bidder shall at all times observe and comply with all laws, ordinances, regulations and codes for the Federal, State, County and other local government agencies, which may in any manner affect the preparation of proposals or the performance of the contract.

32. Any interpretation of the proposed Contract Documents will be made only by an addendum duly issued by the Purchasing Agent. A copy of such addendum will be mailed to each person receiving a set of such Contract Documents and to such other prospective bidders as shall have requested that they be furnished with a copy of each addendum. Failure on the part of the prospective bidder to receive a written interpretation prior to the time of the opening of bids will not be grounds for withdrawal of his proposal. Oral explanations will not be binding.
33. The award of the Contract will be made by official Board documents. Bidder's order form is not acceptable and cannot be used.
34. The Board is exempt from paying Illinois Use Tax (35 ILCS 105/3-5.4) and sales to the Board are exempt from Illinois Retailer's Occupation Tax (35 ILCS 120/2-5.11). As such, Contractor shall not include such taxes in its bid.
35. The Board is exempt from paying Federal Excise Taxes (26 U.S.C.A. § 4221). As such, Contractor shall not include such taxes in its bid.
36. In computing transportation costs, bidders should not include any federal transportation tax, because Board is exempt.
37. The Contractor shall pay sales, consumer, use and similar taxes for the work or portions thereof provided by the Contractor. Contractor shall collect and remit Illinois Use Tax on all sales of tangible personal property in accordance with the Illinois *School Code* (105 ILCS 5/10-20.21) and the Illinois *Use Tax Act* (35 ILCS 105/1 *et seq.*). The payment of this tax will take place regardless of whether the Contractor is a retailer maintaining a place of business within this State. The cost of such tax shall be borne solely by the Contractor as part of the Contract price. Contractor shall not be reimbursed or paid any taxes unnecessarily paid by Contractor when not required due to the Board's tax exempt status.
38. Where the term Sub-contractor is used throughout the bid it refers to those specialized people who are not on the Contractor's payroll. Such Sub-contractors are to be brought to the attention of the Board, which reserves the right to approve or disapprove any such related Sub-contractors.
39. **ERRORS AND OMISSIONS** All proposals shall be submitted with each space properly completed. Special attention of bidders is directed to the policy that no claim for relief because of errors or omissions in the bidding will be considered and bidders will be held strictly to the proposals as submitted. Should a bidder find any discrepancies in, or omissions from any of the documents, or be in doubt as to their meanings, it shall advise the Director for Business Services who will issue the necessary clarifications to all prospective bidders by means of addenda. Failure on the part of the prospective bidder to receive a written interpretation prior to the time of the opening of bids will not be grounds for withdrawal of its proposal. Oral explanations will not be binding.
40. Signature Constitutes Acceptance; the signing of these bid forms shall be construed as acceptance of all provisions contained herein.
41. Any exception to these terms and conditions or deviation from the written specifications must be shown in writing and attached to the bid form.

42. To the extent applicable, it shall be mandatory upon the Contractor to whom the Contract is awarded and upon any Sub-contractor(s) thereof to pay to all laborers, workmen, and mechanics employed by them not less than the prevailing rate of wages in the locality for each craft of type of workmen or mechanic needed to perform such work and the general prevailing rate for legal holidays and overtime work as ascertained by the Department of Labor and pursuant to Illinois law and statutes in such case made and provided. The Contractor and Sub-contractor(s) shall comply with the Illinois *Prevailing Wage Act* and shall include in bids the cost for the current prevailing wage. A copy of the current Illinois Department of Labor Prevailing Wages for Cook County is included at the end of this Section. Prevailing wage rates are revised by the Department of Labor and available on its website (**Amendment to Prevailing Wage Act 97-0964**). As changes are made in these prevailing wages, the Contractor and Sub-contractor(s) performing work on the project will be responsible for conforming to the changes and shall have the responsibility for determining when changes are made. No additional costs are to be incurred by the Board as a result of changes in prevailing wage. All record keeping requirements are the obligation of the Contractor and Sub-contractor(s).

To the extent that there are any violations of the *Prevailing Wage Act* and any demands are made upon the Board by the Illinois Department of Labor or by any employee of the Contractor or a Sub-contractor performing work on the project, the Contractor or the particular Sub-contractor and Contractor shall be responsible for indemnifying and holding the Board free and harmless from all costs incurred, directly or indirectly, by the Board in responding to and complying with demands made by the Department of Labor, or an aggrieved employee and such amounts may be withheld from the payments to be made on the project.

Palatine Community Consolidated School District 15 is bound by the requirements of **Prevailing Wage Act, 820 ILCS 130/.01 et seq.** The Prevailing Wage Act requires contractors and subcontractors to pay laborers, workers, and mechanics performing services on public works projects no less than the *prevailing rate of wages* (hourly cash wages plus fringe benefits) in the county where the work is performed. Any prevailing rate of wages as they are revised by the Dept. of Labor shall apply to this contract. You are notified any rate changes to the prevailing wage rate are available on the Dept.'s office website. CONTRACTOR QUESTIONNAIRE

Pursuant to 105 ILCS 5/10-20.40 all school districts in the State of Illinois are required to annually report the number and value of contracts awarded to "minority owned businesses, female owned businesses, and businesses owned by persons with disabilities, as defined in the Business Enterprise for Minorities, Females and Persons with Disabilities Act, and locally owned businesses" for contracts over \$25,000. In order to comply with this requirement, we request contractors to complete the following questionnaire and return with their bid responses.

Is Your Company a Locally Owned Business YES _____ NO _____ as it relates to this School District?

For purposes of this questionnaire, "Locally Owned" means that the registered address or principal place of business of the company is located within the boundaries of the school district. For a corporation, LLC, LP, LLP, or LLLP, the registered address is the address for business on file with the Illinois Secretary of State. For all other business entities, the principal place of business is where the books and records of the business are kept and/or the management of the business works.

Guidance issued by the Illinois State Board of Education suggests that we inquire whether your company is certified as a minority, female, or disabled person owned business by a certifying agency (e.g., Chicago Transit Authority – Cook County – Illinois Department of Transportation – Metropolitan Transit Authority Metropolitan Water Reclamation District – U.S. Small Business Administration – State of Illinois) or that it would be eligible for certification if an application were made. The Guidance includes the definitions set forth below.

Definition of Ownership: "Minority owned business, female owned business, and business owned by a person with a disability" means a business concern which is at least 51% owned by one or more minority persons, females, or persons with a disability; or in the case of a corporation, at least 51% of the stock in which is owned by one or more minority persons, females, or persons with a disability; and the management and daily business operations of which are controlled by one or more of the minority females, or persons with a disability who own it. (30 ILCS 575/2)

Is Your Company a Minority Owned Business? YES _____ NO _____

"Minority person" shall mean a person who is a citizen or lawful permanent resident of the United States and who is: (a) African American – a person having origins in any of the black racial groups in Africa; or (b) Hispanic - a person of Spanish or Portuguese culture with origins in Mexico, South or Central America, or the Caribbean Islands, regardless of race; or (c) Asian American - a person having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent or the Pacific Islands); or (d) Native American or Alaskan Native – a person having origins in any of the original peoples of North America. (30 ILCS 575/2)

Is Your Company a Female Owned Business? YES _____ NO _____

"Female" shall mean a person who is a citizen or lawful permanent resident of the United States and who is of the female gender. (30 ILCS 575/2)

Is Your Company a Business Owned By Persons with Disabilities? YES _____ NO _____

"Person with a disability" means a person who is a citizen or lawful resident of the United States and is a person qualifying as being disabled, where "Disabled" means a severe physical or mental disability that: (a) results from: amputation, arthritis, autism, blindness, burn injury, cancer, cerebral palsy, cystic fibrosis, deafness, head injury, heart disease, hemiplegia, hemophilia, respiratory or pulmonary dysfunction, mental retardation, mental illness, multiple sclerosis, muscular dystrophy, musculoskeletal disorders, neurological disorders, including stroke and epilepsy, paraplegia, quadriplegia and other spinal cord conditions, sickle cell anemia, specific learning disabilities, or end stage renal failure disease; and (b) substantially limits one or more of the person's major life activities. Another disability or combination of disabilities may also be considered as a severe disability for the purposes of item (a) if it is determined by an evaluation of rehabilitation potential to cause a comparable degree of substantial functional limitation similar to the specific list of disabilities listed in this definition. (30 ILCS 575/2).
