Accordingly, Contractor shall ensure that none of its employees, agents or independent contractors are child sex offenders. Child sex offenders found to be present on school property without permission will be considered trespassers and will be prosecuted in accordance with Illinois law.
18. Bids will be considered only if made without any connection with any other person or firm submitting a bid, if in all respects fair and without collusion and if neither member of the Board nor other officer of the School District is directly or indirectly interested in the bid or in any portion of the profits thereof.
19. A bidder may withdraw or change a bid if written notice of the withdrawal or change is received by Board before the latest time specified for submission of bids. Any change may be made only by substitution of another bid.
20. Bids received after the time specified in the invitation to bid will not be considered and shall be returned to the bidder. The method of transmittal of the bid proposal is at bidder's risk of untimely receipt by the Board.
21. Title to the goods herein described shall not pass until said goods have actually been received by Board or its consignee, notwithstanding any agreement to the contrary, including, but not by way of limitation, any agreement to pay freight, express, or other transportation or insurance charges. Risk of loss prior to such actual receipt by Board or its consignee shall be borne by Contractor. Nothing herein contained, however, shall be construed to deprive Board of its interest, or limiting such interest, in goods herein described prior to such actual receipt.
22. All material and workmanship shall be subject to inspection and test by Board or its designee. The Board reserves the right to reject any goods which contain defects in material or workmanship, which fail to meet the specifications contained herein or any warranties (express or implied). Rejected goods shall be removed at the expense of the Contractor, including all transportation costs, promptly after notification of rejection. As to rejected goods, Contractor shall bear all costs of inspection and all risk of loss.

23. Payment by the Board for goods supplied hereunder shall not constitute acceptance thereof if subsequent inspection discloses defects in material or workmanship or a failure to meet the specifications contained herein.
24. Purchase order number and vendor name must appear on each invoice submitted to the Board for payment.

26. Exceptions – Any exceptions to these terms and conditions of deviations from the written specifications must be shown in writing and attached to the bid form.
27. The Board reserves its rights to reject any goods and to cancel all or any part of this sale if Contractor fails to deliver all or any part of the goods described in the invitation to bid in accordance with the terms, conditions, and specifications contained herein. Acceptance of any part of the goods covered by the invitation to bid shall not obligate Board to accept future shipments nor deprive it of its rights to revoke any acceptance theretofore given. If Contractor ceases to conduct its operations in the ordinary course of business (including inability to meet its obligations as they mature), or if any proceeding under bankruptcy or insolvency laws is brought by or against Contractor, or if a receiver for Contractor is appointed or applied for, or if an assignment for the benefit of creditors is made by Contractor, Board may cancel this order without liability except for deliveries previously made or for goods covered by the invitation to bid then completed and subsequently delivered in accordance with the terms, conditions, and specifications contained herein.
28. Contractor makes the following warranties to Board and users of the goods herein described: (a) It will, at the date of delivery, have good title to any and all goods supplied hereunder, and said goods will be free and clear of any and all liens and encumbrances; (b) Any and all goods supplied hereunder will be of merchantable quality; (c) Any and all goods supplied hereunder will be fit for the particular use intended, will be free from defects, whether patent or latent in material or workmanship, and will be in full conformity with the specifications contained herein. Contractor agrees that the foregoing warranties shall survive acceptance of the goods, and that said warranties shall be in addition to any warranties for additional scope given to Board by Contractor.
29. Contractor agrees to indemnify, defend, and hold harmless the Board, its successors, assigns, customer, agents, and users of the goods herein described against any and all loss, damage, or injury arising out of or resulting from a claim or suit for alleged infringement or any letters patent granted by the United States or any foreign government relating to the goods herein described. Contractor agrees that it will assume the defense of any and all such suits and pay all costs, judgments, and expenses incidental thereto.
30. Bidder must make delivery upon receipt of order unless otherwise specified in the invitation to bid. Bidder must indicate time required for delivery on bid.
31. The bidder shall at all times observe and comply with all laws, ordinances, regulations and codes for the Federal, State, County and other local government agencies, which may in any manner affect the preparation of proposals or the performance of the contract.

32. Any interpretation of the proposed Contract Documents will be made only by an addendum duly issued by the Purchasing Agent. A copy of such addendum will be mailed to each person receiving a set of such Contract Documents and to such other prospective bidders as shall have requested that they be furnished with a copy of each addendum. Failure on the part of the prospective bidder to receive a written interpretation prior to the time of the opening of bids will not be grounds for withdrawal of his proposal. Oral explanations will not be binding.
33. The award of the Contract will be made by official Board documents. Bidder's order form is not acceptable and cannot be used.
34. The Board is exempt from paying Illinois Use Tax (35 ILCS 105/3-5.4) and sales to the Board are exempt from Illinois Retailer's Occupation Tax (35 ILCS 120/2-5.11). As such, Contractor shall not include such taxes in its bid.
35. The Board is exempt from paying Federal Excise Taxes (26 U.S.C.A. § 4221). As such, Contractor shall not include such taxes in its bid.
36. In computing transportation costs, bidders should not include any federal transportation tax, because Board is exempt.
37. The Contractor shall pay sales, consumer, use and similar taxes for the work or portions thereof provided by the Contractor. Contractor shall collect and remit Illinois Use Tax on all sales of tangible personal property in accordance with the Illinois *School Code* (105 ILCS 5/10-20.21) and the Illinois *Use Tax Act* (35 ILCS 105/1 *et seq.*). The payment of this tax will take place regardless of whether the Contractor is a retailer maintaining a place of business within this State. The cost of such tax shall be borne solely by the Contractor as part of the Contract price. Contractor shall not be reimbursed or paid any taxes unnecessarily paid by Contractor when not required due to the Board's tax exempt status.
38. Where the term Sub-contractor is used throughout the bid it refers to those specialized people who are not on the Contractor's payroll. Such Sub-contractors are to be brought to the attention of the Board, which reserves the right to approve or disapprove any such related Sub-contractors.
39. **ERRORS AND OMISSIONS** All proposals shall be submitted with each space properly completed. Special attention of bidders is directed to the policy that no claim for relief because of errors or omissions in the bidding will be considered and bidders will be held strictly to the proposals as submitted. Should a bidder find any discrepancies in, or omissions from any of the documents, or be in doubt as to their meanings, it shall advise the Director for Business Services who will issue the necessary clarifications to all prospective bidders by means of addenda. Failure on the part of the prospective bidder to receive a written interpretation prior to the time of the opening of bids will not be grounds for withdrawal of its proposal. Oral explanations will not be binding.
40. Signature Constitutes Acceptance; the signing of these bid forms shall be construed as acceptance of all provisions contained herein.
41. Any exception to these terms and conditions or deviation from the written specifications must be shown in writing and attached to the bid form.

42. To the extent applicable, it shall be mandatory upon the Contractor to whom the Contract is awarded and upon any Sub-contractor(s) thereof to pay to all laborers, workmen, and mechanics employed by them not less than the prevailing rate of wages in the locality for each craft of type of workmen or mechanic needed to perform such work and the general prevailing rate for legal holidays and overtime work as ascertained by the Department of Labor and pursuant to Illinois law and statutes in such case made and provided. The Contractor and Sub-contractor(s) shall comply with the Illinois *Prevailing Wage Act* and shall include in bids the cost for the current prevailing wage. A copy of the current Illinois Department of Labor Prevailing Wages for Cook County is included at the end of this Section. Prevailing wage rates are revised by the Department of Labor and available on its website (**Amendment to Prevailing Wage Act 97-0964**). As changes are made in these prevailing wages, the Contractor and Sub-contractor(s) performing work on the project will be responsible for conforming to the changes and shall have the responsibility for determining when changes are made. No additional costs are to be incurred by the Board as a result of changes in prevailing wage. All record keeping requirements are the obligation of the Contractor and Sub-contractor(s).

To the extent that there are any violations of the *Prevailing Wage Act* and any demands are made upon the Board by the Illinois Department of Labor or by any employee of the Contractor or a Sub-contractor performing work on the project, the Contractor or the particular Sub-contractor and Contractor shall be responsible for indemnifying and holding the Board free and harmless from all costs incurred, directly or indirectly, by the Board in responding to and complying with demands made by the Department of Labor, or an aggrieved employee and such amounts may be withheld from the payments to be made on the project.

Palatine Community Consolidated School District 15 is bound by the requirements of **Prevailing Wage Act, 820 ILCS 130/.01 et seq.** The Prevailing Wage Act requires contractors and subcontractors to pay laborers, workers, and mechanics performing services on public works projects no less than the *prevailing rate of wages* (hourly cash wages plus fringe benefits) in the county where the work is performed. Any prevailing rate of wages as they are revised by the Dept. of Labor shall apply to this contract. You are notified any rate changes to the prevailing wage rate are available on the Dept.'s office website. BID #22-012
USDA COMMODITY FOOD PRODUCTS
APRIL 15, 2022
COMMUNITY CONSOLIDATED SCHOOL DISTRICT 15

SCOPE OF WORK

With an enrollment of approximately 12,300 students and a staff of 2,000 employees, Community Consolidated School District 15 (CCSD15) is one of the largest elementary school districts in Illinois. CCSD15 has twenty (20) school buildings and three (3) administrative support buildings. CCSD15 is soliciting bids for a one-year contract for USDA Commodity Food Products, which will be utilized throughout the District's twenty school buildings.

GENERAL INFORMATION

1. The contract will be awarded to the lowest, responsible bidder for each Manufacturer Category. The one-year contract will commence July 1, 2022, and run through June 30, 2023.
2. Quoted pricing shall remain in effect for the entirety of the contract, July 1, 2022, through June 30, 2023. Pricing changes may occur if the Manufacturer incurs cost increases or decreases due to the cost of raw goods. Documentation must be presented to show the Manufacturer pricing changes.
3. Where wholesale units of purchase are standardized, the unit is specified accordingly. However, it is recognized that some units of pack vary from one manufacturer to another. If a Bidder wishes to quote a reasonable size which is different from the unit specified, they may do so. But the total quantity must be equivalent and the pack must be listed.
4. All products shall be received in clean, dry condition, free of dust, dirt and soil. Repacked product is not acceptable. Product found to be unacceptable will be rejected either upon delivery or upon opening the case (in the event of hidden damage). Reason for refusal will be notated on the invoice and the Distributor shall be informed in order to issue credit and/or replace the product. If product requires replacement, the Distributor will replace items on a timely basis in order to minimize production disruption.
5. The District reserves the right to increase or decrease quantities listed, as the USDA purchase of each Commodity have not yet been completed. Quantities listed within this document are approximations based on anticipated usage, and may change based on student acceptability.
6. The District reserves the right to reject any or all Bid submissions.
7. The successful Bidder must maintain general liability per specifications. A valid insurance certificate, matching the requirements as set forth in General Requirements, page 8-9, number 45, is required.
8. **Buy American Act:** The National School Lunch Act requires school districts participating in the National School Lunch Program in the contiguous 48 states of the United States to buy food products produced in the United States (domestic) when using federal funds. Therefore, if there is a domestic and non-domestic food product available, the domestic product must be supplied. Non-domestic products may be supplied only when domestic products are unavailable. As defined in this legislation, a domestic food commodity is an agricultural commodity (for example beef, pork, chicken, fruits, vegetables, oils or grains) that is produced in the United States. A domestic food product is processed in the United States using substantially domestic agricultural commodities. Substantially means that over 51 percent of the finished processed product comes from American produced products. The implementing federal regulations are 7CFR 201.21 and 2201.16, published September 20, 1999.

9. Health and Safety Requirements: The Bidder is guaranteeing that they currently do and will continue to meet all requires of the Health Department of the State of Illinois, and the county in which the business is located. Bidders are expected to comply with all Federal laws protecting the food supply and ensure that all product will be stored in a facility with a HACCP plan in place.
10. The subject Bid includes USDA Commodity Food Products that will be provided by a Processor and products that will be provided by a Distributor. Bid specifications in Exhibit "A" and pricing forms in Exhibit "B" have been listed accordingly.

ORDERS AND DELIVERY

1. All proposed pricing should be F.O.B Palatine to the floor of the dock area of the District's delivery site located at:

CCSD 15 Nutrition Services
Walter R. Sundling Junior High
1100 N. Smith Street
Palatine, IL 60067-2606
2. Delivery times must be Monday through Friday, between 7:00 A.M. and 1:00 P.M. local time. The District must be notified a minimum of 48 hours prior to delivery.
3. Proposed pricing should be the delivered price per case, including the value of the commodity within. Please note, the value of the commodity SHOULD NOT be subtracted from the price as the District will need to know the commercial price if the commodity product allotment is used in its entirety.
4. All shipments over 50 cases **must** be palletized. If under 50 cases, floor shipments must be unloaded onto pallets by the driver at time of delivery.
5. The Bidder must provide the District with information concerning the minimum number of total cases (NOI + regular purchased + FFS, if applicable) required for delivery.

DELIVERY DIRECT FROM PROCESSOR

GENERAL REQUIREMENTS

This document is issued with the intent of procuring finished end products from eligible processors in accordance with applicable State and Federal laws governing Federally-funded Child Nutrition programs for the District. Processors are invited to submit a Bid to provide the District with products that have been further processed using diverted bulk USDA Foods, herein after referred to as "End Products". A processor that submits a bid in response to this solicitation is herein after referred to as the "Processor". The processor must be eligible to participate in diversion of bulk USDA Foods in Illinois and deliver directly to the District.

1. Processors are required to have a signed National Processing Agreement with the USDA. Awarded contracts must comply with all applicable requirements in the NOPA that govern the processing of bulk USDA Foods into finished end products listed in this bid.
2. The Processor must indicate which of the following Value Pass-Through Methods will be utilized for each of the end products. For the purposes of this Bid, the District will accept the following methods:
 - a. Refund to Recipient Agency
 - b. Fee for Service – billed by Processor

3. The Value Pass Through items become the property of the District once delivery has been made. If a further pricing incentive is available based on total delivered weight, please indicate this information on the pricing sheet in Exhibit "B".
4. All product shall be stored on pallets and will be rotated on a first-in/first-out basis. All shipments over 50 cases must be palletized. If under 50 cases, floor shipments must be unloaded onto pallets by the driver at time of delivery.
5. The Processor shall be responsible for stocking each item as indicated on the Bid document.
6. Processor will be responsible for keeping a record on all incoming and outgoing products. Each pallet of product shall be notated with the date upon entry into the storage area.
7. The Processor's facilities will be required to have an alarm system that will indicate when the temperature is not within safe zone ranges.
8. Items may be awarded to one Processor by Commodity Code Category to allow for maximum utilization of truckloads of commodity product. This will allow for the maximization of purchasing power and bookkeeping efficiencies, in addition to meeting minimum delivery requirements. The goal of this procurement is to deliver the highest quality product available to the District's students.

DELIVERY FROM DISTRIBUTORS

GENERAL INFORMATION

This document is issued with the intent of procuring USDA Commodity Food Products from a qualified Distributor.

1. The Distributor will be responsible for stocking each Value Pass Through item within a particular Manufacturer's group, if they are bidding on that group. The Value Pass Through item becomes the property of the District once the delivery has been made to the District.
2. The Distributor must be able to provide "net off invoice" pricing that will reflect the value of the donated commodities within each case, which will appear on the invoice submitted for payment (if applicable).
3. The Distributor shall be responsible for receiving the products from the delivery truck, recording date received and placing the product in an appropriate storage area. The Distributor shall also be responsible for removing commodities and product from the storage area and delivering them to the District's requested delivery locations.
4. All product shall be stored on pallets and will be rotated on a first-in/first-out basis. All shipments over 50 cases must be palletized. If under 50 cases, floor shipments must be unloaded onto pallets by the driver at time of delivery.
5. The Distributor shall be responsible for keeping a record of all products incoming and outgoing. The date of entry to the storage area shall be notated on each pallet.
6. The Distributors facilities will be required to have an alarm system that indicates when the temperature has moved outside of the "safe zone".
