During the performance of this Contract, the Contractor agrees as follows:
- a. That it will not discriminate against any employee or applicant for employment because of race, color, religion, creed, sex, marital status, national origin or ancestry, age, citizenship, physical or mental handicap or disability, military status, unfavorable discharge from military service or arrest record status; and further that it will examine all job classifications to determine if minority persons or women are underutilized and will take appropriate affirmative action to rectify any such underutilization.
  - b. That, if it hires additional employees in order to perform this Contract or any portion thereof, it will determine the availability (in accordance with the Department's Rules) of minorities and women in the area(s) from which it may reasonably recruit and it will hire for each job classification for which employees are hired in such a way that minorities and women are not underutilized.
  - c. That, in all solicitations or advertisements for employees placed by it or on its behalf, it will state that all applicants will be afforded equal opportunity without discrimination because of race, color, religion, sex, marital status, national origin or ancestry, age, physical or mental handicap unrelated to ability, or an unfavorable discharge from military service.
  - e. That it will send to each labor organization or representative of workers with which it has or is bound by a collective bargaining or other agreement or understanding, a notice advising such labor organization or representative of the Contractor's obligation under the *Illinois Human Rights Act* and the Department's Rules. If any such labor organization or representative fails or refuses to cooperate with the Contractor in its efforts to comply with such Act and Rules, the Contractor will promptly so notify the Department and the contracting agency and will recruit employees from other sources when necessary to fulfill its obligations there under.
  - e. That it will submit reports as required by the Department's Rules, furnish all relevant information as may from time to time be requested by the Department or the contracting agency, and in all respects comply with the *Illinois Human Rights Act* and the Department's Rules.
  - f. That it will permit access to all relevant books, records, accounts and work sites by personnel of the contracting agency and the Department for purposes of

investigation to ascertain compliance with the *Illinois Human Rights Act* and the Department's Rules.

- g. That it will include verbatim or by reference the provisions of this clause in every sub-contract it awards under which any portion of the contract obligations are undertaken or assumed, so that such provisions will be binding upon such sub-contractor. In the same manner as with other provisions of this Contract, the Contractor will be liable for compliance with applicable provisions of this clause by such sub-contractors; and further it will promptly notify the contracting agency and the Department in the event any sub-contractor fails to refuse to comply therewith. In addition, the Contractor will not utilize any sub-contractor declared by the Illinois Human Rights Commission to be ineligible for contractors or sub-contractors with the State of Illinois or any of its political subdivisions or municipal corporations.
15. To extent applicable, the Contractor agrees to comply with the provisions of the *Occupational Safety and Health Act of 1970* (29 U.S.C.A. § 651 *et seq.*) and the standards and regulations issued there under and shall certify that all items furnished under this bid will conform to and comply with said standards and regulations.
16. Contractor agrees to comply with provisions of the *Consumer Products Safety Act of 1972* (15 U.S.C.A § 205 *et seq.*) and shall certify that items furnished under this bid conform to applicable standards.
17. To the extent applicable, the Illinois *Employment of Illinois Workers on Public Works Act* (30 ILCS 470/0.01 *et. seq.*) shall prevail on this Contract.
18. Contractor acknowledges that, pursuant to the Illinois *Criminal Code* (720 ILCS 5/11-9.3), it is unlawful for a child sex offender to knowingly be present on school property when persons under the age of eighteen are present without the specific notification to and permission of the Superintendent of Schools or the Board of Education. Accordingly, Contractor shall ensure that none of its employees, agents or independent contractors are child sex offenders. Child sex offenders found to be present on school property without permission will be considered trespassers and will be prosecuted in accordance with Illinois law.
19. Bids will be considered only if made without any connection with any other person or firm submitting a bid, if in all respects fair and without collusion and if no member of the Board nor other officer of the School District is directly or indirectly interested in the bid or in any portion of the profits thereof.
20. A bidder may withdraw or change a bid if written notice of the withdrawal or change is received by Board before the latest time specified for submission of bids. Any change may be made only by substitution of another bid.
21. Bids received after the time specified in the invitation to bid will not be considered and shall be returned to the bidder. The method of transmittal of the bid proposal is at bidder's risk of untimely receipt by Board.
22. Title to the goods herein described shall not pass until said goods have actually been received by Board or its consignee, notwithstanding any agreement to the contrary, including, but not by way of limitation, any agreement to pay freight, express, or other

- transportation or insurance charges. Risk of loss prior to such actual receipt by Board or its consignee shall be borne by Contractor. Nothing herein contained, however, shall be construed to deprive Board of its interest, or limiting such interest, in goods herein described prior to such actual receipt.
23. All material and workmanship shall be subject to inspection and test by Board or its designee. The Board reserves the right to reject any goods which contain defects in material or workmanship, which fail to meet the specifications contained herein or any warranties (express or implied). Rejected goods shall be removed at the expense of the Contractor, including all transportation costs, promptly after notification of rejection. As to rejected goods, Contractor shall bear all costs of inspection and all risk of loss.
24. Payment by the Board for goods supplied hereunder shall not constitute acceptance thereof if subsequent inspection discloses defects in material or workmanship or a failure to meet the specifications contained herein.
25. **Purchase order number and vendor name must appear on each invoice submitted to the Board for payment.**
26. Signature Constitutes Acceptance - The signing of these bid forms shall be construed as acceptance of all provisions contained herein and that the Contractor had read the Contract Documents and is fully aware of the terms hereof.
27. Exceptions – Any exceptions to these terms and conditions of deviations from the written specifications must be shown in writing and attached to the bid form.
28. The Board reserves its rights to reject any goods and to cancel all or any part of this sale if Contractor fails to deliver all or any part of the goods described in the invitation to bid in accordance with the terms, conditions, and specifications contained herein. Acceptance of any part of the goods covered by the invitation to bid shall not obligate Board to accept future shipments nor deprive it of its rights to revoke any acceptance theretofore given. If Contractor ceases to conduct its operations in the ordinary course of business (including inability to meet its obligations as they mature), or if any proceeding under bankruptcy or insolvency laws is brought by or against Contractor, or if a receiver for Contractor is appointed or applied for, or if an assignment for the benefit of creditors is made by Contractor, Board may cancel this order without liability except for deliveries previously made or for goods covered by the invitation to bid then completed and subsequently delivered in accordance with the terms, conditions, and specifications contained herein.
29. Contractor makes the following warranties to Board and users of the goods herein described: (a) It will, at the date of delivery, have good title to any and all goods supplied hereunder, and said goods will be free and clear of any and all liens and encumbrances; (b) Any and all goods supplied hereunder will be of merchantable quality; (c) Any and all goods supplied hereunder will be fit for the particular use intended, will be free from defects, whether patent or latent in material or workmanship, and will be in full conformity with the specifications contained herein. Contractor agrees that the foregoing warranties shall survive acceptance of the goods, and that said warranties shall be in addition to any warranties for additional scope given to Board by Contractor.

30. Contractor agrees to indemnify, defend, and hold harmless the Board, its successors, assigns, customer, agents, and users of the goods herein described against any and all loss, damage, or injury arising out of or resulting from a claim or suit for alleged infringement or any letters patent granted by the United States or any foreign government relating to the goods herein described. Contractor agrees that it will assume the defense of any and all such suits and pay all costs, judgments, and expenses incidental thereto.
31. Bidder must make delivery upon receipt of order unless otherwise specified in the invitation to bid. Bidder must indicate time required for delivery on bid.
32. The bidder shall at all times observe and comply with all laws, ordinances, regulations and codes for the Federal, State, County and other local government agencies, which may in any manner affect the preparation of proposals or the performance of the Contract.
33. Any interpretation of the proposed Contract Documents will be made only by an addendum duly issued by the Purchasing Agent. A copy of such addendum will be mailed to each person receiving a set of such Contract Documents and to such other prospective bidders as shall have requested that they be furnished with a copy of each addendum. Failure on the part of the prospective bidder to receive a written interpretation prior to the time of the opening of bids will not be grounds for withdrawal of his proposal. Oral explanations will not be binding.
34. The award of the Contract will be made by official Board documents. Bidder's order form is not acceptable and cannot be used.
35. The Board is exempt from paying Illinois Use Tax (35 ILCS 105/3-5.4) and sales to the Board are exempt from Illinois Retailer's Occupation Tax (35 ILCS 120/2-5.11). As such, Contractor shall not include such taxes in its bid.
36. The Board is exempt from paying Federal Excise Taxes (26 U.S.C.A. § 4221). As such, Contractor shall not include such taxes in its bid.
37. In computing transportation costs, bidders should not include any federal transportation tax, because Board is exempt.
38. The Contractor shall pay sales, consumer, use and similar taxes for the work or portions thereof provided by the Contractor. Contractor shall collect and remit Illinois Use Tax on all sales of tangible personal property in accordance with the Illinois *School Code* (105 ILCS 5/10-20.21) and the Illinois *Use Tax Act* (35 ILCS 105/1 *et seq.*). The payment of this tax will take place regardless of whether the Contractor is a retailer maintaining a place of business within this State. The cost of such tax shall be borne solely by the Contractor as part of the Contract price. Contractor shall not be reimbursed or paid any taxes unnecessarily paid by Contractor when not required due to the Board's tax exempt status.
39. **Bidder must provide Community Consolidated School District 15 with a MATERIAL SAFETY DATA SHEET for each item on the bid and any other item as requested.**

40. **ERRORS AND OMISSIONS** - All proposals shall be submitted with each space properly completed. Special attention of bidders is directed to the policy that no claim for relief because of errors or omissions in the bidding will be considered and bidders will be held strictly to the proposals as submitted. Should a bidder find any discrepancies in, or omissions from any of the documents, or be in doubt as to their meanings, it shall advise the Director for Business Services who will issue the necessary clarifications to all prospective bidders by means of addenda. Failure on the part of the prospective bidder to receive a written interpretation prior to the time of the opening of bids will not be grounds for withdrawal of its proposal. Oral explanations will not be binding.
  
41. The Board will attempt to make payments for items ordered within thirty (30) days of delivery. Invoices must be submitted in a timely manner, and if received by the 25<sup>th</sup> day of the month, will be processed and paid at the next regularly scheduled Board of Education meeting (normally held on the second Wednesday of each month.) Notwithstanding anything herein to the contrary, however, all payments made to the Contractor shall be governed by the Illinois *Local Government Prompt Payment Act* (50 ILCS 505/1 *et seq.*).
  
42. Any exception to these terms and conditions or deviation from the written specifications must be shown in writing and attached to the bid form.
