NOTICE OF TOWN HALL MEETING

A town hall meeting regarding District 15's Strategic Planning Process has been organized by the community engagement group Our D15 Voice.

This meeting will include discussion of the draft outline of the District 15 strategic plan, which was put together during the Board of Education retreat in March. The school district is in the process of developing a strategic plan to provide clear direction and vision for the organization over the next several years. Community input from a recent values survey has been incorporated into the draft plan.

Members of the board and administration will present the draft plan to the public, including strategic values, direction, action, and results.

Board members will be present; however, no board business will be conducted.

The meeting will be held on Monday, April 30, 2018, at Winston Campus, 120 N. Babcock Drive, Palatine, IL, at 7 p.m.
