RE: ELLevation Renewal

The attached request is to renew ELLevation which is the only web-based English Language Learner (ELL) data program available at this time. This program has allowed the District to collect, analyze, monitor and design academic plans based upon language proficiency level for all ELL students. It allows all schools the ability to differentiate and personalize instruction for our ELL students. The cost will exceed \$25,000 and state Transitional Bilingual Education (TBE) funds will be used for the purchase.
