RE: Board Agenda Item 16-1230H – Consent Calendar Item – Microsoft Licensing for the Data Center Servers

District 15 is submitting a purchase order to Dell Inc. for the yearly Microsoft licenses subscriptions for the Data Center servers. This purchase fulfills the District's yearly licensing agreements through Microsoft's Enrollment for Education Solutions school agreement. The renewal of the licensing ensures that the District is in full compliance from December 2016 through December 2017.

Microsoft representatives have helped to ensure the District receives best pricing. The purchase is based upon the lowest pricing that Microsoft offers through their preferred vendors and school and state agreements. The agreement through Dell offers this discounted licensing.

The purchase requisition is in the amount of \$32,301.19. This annual licensing agreement is included in this year's Technology budget and as well as incorporated into the operating costs going forward.
