**RE:** Consent Agenda: CARE Chromebook Purchase

District 15 enjoys an excellent relationship with the Park Districts of Palatine and Rolling Meadows. These relationships led to the development and implementation of the CARE program which provides high-quality and affordable before and after school child care at each of our elementary schools.

This year CARE used excess funds to purchase one cart of thirty (30) Chromebooks for shared use at each elementary school site. This equates to 15 carts and 450 Chromebooks for a purchase price of \$94,402.50.

Riverside Technologies extended the same bid pricing it offered the District when it purchased 3,194 Chromebooks that the Board approved at its May 11, 2016, meeting.
