Please review and approve the District's annual subscription to Northwest Evaluation Association for MAP (Measures of Academic Progress) test licenses for all of our students in grades 2-8. District 15 uses the MAP test, which is aligned with the Common Core State Standards and the Illinois test system, to monitor progress, information instruction, and assist with determining appropriate educational program placement for students. Included in the subscription are ongoing technical support, electronic reports to teachers and administration, unlimited online professional development, and full access to the Kahn Knowledge Academy. Funds for this purchase have been budgeted for in the Department of Instruction 2016-2017 budget plan.
