

Announcing a new club at TJ!

The name is **TJRocks**

The sponsors are Mrs. Wilson and Mrs. Erdei

Our goal is to showcase and highlight the great things happening at TJ. We plan to produce a monthly movie with pictures and videos of lessons, projects, and activities happening here at TJ so that we can show the community all the wonderful experiences that are happening here.

We Need Club Members! Are You Interested?

Here is What Will be Expected:

- ★We are asking for one representative from each classroom here at TJ.
- ★All representatives will be asked to attend a monthly meeting during the lunch hour.
- ★Members should bring a completed form to the meeting with ideas of things that should be highlighted for their grade level or other ideas.
- ★Sub groups will be formed to complete the videos and edit the pictures.
- ★Members may also be asked to take pictures or videos of experiences.

Who Should Apply?

- ★Students who think TJ is the best school and want everyone to know the great things that are happening here.
- ★Students who have photography skills.
- ★Students who know how to use iMovie or want to learn how.
- ★Students who are interested in explaining in writing the details of what is happening.
- ★Students who have ideas of what we can highlight.

If you are interested, complete the application on the back and give it to your teacher by Wednesday, November 14, 2012.
