Vendor Questions

1. Are you open to other backup solutions than Dell and AppAssure?"
2. The VMware portion of this rfp is slightly confusing to me – are you asking for net-NEW VMware licensing? Or are you asking that proposers include the renewal cost of your existing licensing as part of the proposal?

CCSD15 Answers

1. District 15 will accept other proposal for the backup as long as it fulfills the RFP statement "**BACKUP SOLUTION (PURCHASE IS OPTIONAL) equal or better than, Dell DL4300 with AppAssure software with 20TB+ storage space**".
2. District 15 is looking for renewal costs for the existing licensing.
