RE: Pacific Learning - Spanish Literacy Intervention System

The attached request is to purchase the Spanish Literacy Intervention System from Pacific Learning. It is the only Spanish guided reading intervention program which aligns with our current Spanish curriculum published at this time. It will be used for our most at risk students to access Spanish literacy as well as for Summer Blast. The cost of the curriculum and materials will exceed \$25,000. State TBE monies will be used to fund this project.
