RE: Learning A-Z

Acknowledging that the key to literacy is knowledge of the ways in which written language represents the spoken language, the Second Language Program would like to purchase licenses to the Learning A-Z program for second language staff. This program is well researched to help improve literacy skills in Spanish and English and allows 24/7 access to reading and writing through online accounts including summer access. The cost of the curriculum and materials will exceed \$25,000. State TBE monies will be used to fund this project.
