**Subject:** Action Item – Bid #18-025 STEM Classroom Furniture

### **Background**

Bid notice #18-025 STEM Classroom Furniture was published in the Daily Herald and posted on the District's website on May 11, 2018. Bid specifications were sent to eighteen vendors and five responses were received back.

This purchase is for the STEM classrooms at Carl Sandburg Jr. High, Winston Campus Jr. High, and Walter R. Sundling Jr. High. These classrooms are new to the buildings or they are undergoing improvements to enhance the learning environment for the STEM students.

Items highlighted in grey did not meet bid specifications. The item highlighted in pink was not awarded as after further review, there was concern this table is too small for the number of computers each table needs to accommodate.

### **Bid Results**

Bid results are attached.
