ADDENDUM TWO

Community Consolidated School District 15 has an addendum regarding the Request for Bid dated September 29, 2017. Indicated below are inquiries from various vendors or a change in the proposal documents regarding the Request for Bid #18-005 Water Testing & Analysis and the district's responses. The addendum is posted for the benefit of all participating parties.

1. What is the earliest time of day the buildings will be open to allow for sample collection?
 - A. Every morning from 7:00 am to 8:30 am or 3:30 to 10:30 pm.
2. Since sample fixtures have to be unused for more than 8 hours but less than 18 hours, will the school assist in keeping the fountains from being used in this time window, or will the vendor be expected to have any sampling for a given day concluded before students or staff arrive?
 - A. If the vendor does their sampling at morning prior to school start or on Saturday, this is not a problem. The District will not keep fountains from being used during the day.
3. Will the buildings be accessible on Saturdays?
 - A. Yes
4. Since there is no line item for the sample collection, can we assume that the unit cost for the testing is to include the sample collection.
 - A. Unit price shall be inclusive site draw, testing and reporting
