Addendum #1 BID #17-001

36. In computing transportation costs, bidders should not include any federal transportation tax, because Board is exempt.
37. The Contractor shall pay sales, consumer, use and similar taxes for the work or portions thereof provided by the Contractor. Contractor shall collect and remit Illinois Use Tax on all sales of tangible personal property in accordance with the Illinois *School Code* (105 ILCS 5/10-20.21) and the Illinois *Use Tax Act* (35 ILCS 105/1 *et seq.*). The payment of this tax will take place regardless of whether the Contractor is a retailer maintaining a place of business within this State. The cost of such tax shall be borne solely by the Contractor as part of the Contract price. Contractor shall not be reimbursed or paid any taxes unnecessarily paid by Contractor when not required due to the Board's tax exempt status.
38. Where the term Sub-contractor is used throughout the bid it refers to those specialized people who are not on the Contractor's payroll. Such Sub-contractors are to be brought to the attention of the Board, which reserves the right to approve or disapprove any such related Sub-contractors.
39. **ERRORS AND OMISSIONS** - All proposals shall be submitted with each space properly completed. Special attention of bidders is directed to the policy that no claim for relief because of errors or omissions in the bidding will be considered and bidders will be held strictly to the proposals as submitted. Should a bidder find any discrepancies in, or omissions from any of the documents, or be in doubt as to their meanings, it shall advise the Director for Business Services who will issue the necessary clarifications to all prospective bidders by means of addenda. Failure on the part of the prospective bidder to receive a written interpretation prior to the time of the opening of bids will not be grounds for withdrawal of its proposal. Oral explanations will not be binding.
40. All vendor staff/personnel must undergo a criminal background investigation within 60 days prior to the start of the contract at the vendor's expense upon request. Section 10-21.9 of *The School Code* (105LCS 5/10-21.9) provides that:

After January 1, 1990, the provisions of this section (criminal background investigations) shall apply to all employees of persons or firms holding contracts with any school district including, but not limited to, food service workers, school bus drivers and other transportation employees, who have direct, daily contact with the pupils of any school in such district.

Additionally, the contractor must also agree not to send to any school building or on any school property any employee who is a known child sex offender.

41. To the extent applicable, it shall be mandatory upon the Contractor to whom the Contract is awarded and upon any Sub-contractor(s) thereof to pay to all laborers, workmen, and mechanics employed by them not less than the prevailing rate of wages in the locality for each craft of type of workmen or mechanic needed to perform such work and the general prevailing rate for legal holidays and overtime work as ascertained by the Department of Labor and pursuant to Illinois law and statutes in such case made and provided.

The Contractor and Sub-contractor(s) shall comply with the Illinois *Prevailing Wage Act* and shall include in bids the cost for the current prevailing wage. A copy of the current Illinois Department of Labor Prevailing Wages for Cook County is included at the end of this Section. Prevailing wage rates are revised by the Department of Labor and available on its website (**Amendment to Prevailing Wage Act 97-0964**). As changes are made in these prevailing wages, the Contractor and Sub-contractor(s) performing work on the project will be responsible for conforming to the changes and shall have the responsibility for determining when changes are made. No additional costs are to be incurred by the Board as a result of changes in prevailing wage. All record keeping requirements are the obligation of the Contractor and Sub-contractor(s).

To the extent that there are any violations of the *Prevailing Wage Act* and any demands are made upon the Board by the Illinois Department of Labor or by any employee of the Contractor or a Sub-contractor performing work on the project, the Contractor or the particular Sub-contractor and Contractor shall be responsible for indemnifying and holding the Board free and harmless from all costs incurred, directly or indirectly, by the Board in responding to and complying with demands made by the Department of Labor, or an aggrieved employee and such amounts may be withheld from the payments to be made on the project. It is the intention that the Board shall suffer no time loss or other additional expenses in complying with any inquiry made with regard to the *Prevailing Wage Act*.

Palatine Community Consolidated School District 15 is bound by the requirements of **Prevailing Wage Act, 820 ILCS 130/.01 et seq**, which amended the Illinois Prevailing Wage Act effective January 2010 to impose additional obligations on public school districts engaged in "public works" construction projects. The new Act requires each contractor and sub-contractor to submit to Palatine Community Consolidated School District 15 a monthly certified payroll containing the names of all laborers, mechanics and other workers employed on each project. The certified payroll must also include the address, telephone number, social security number, classification(s), hourly wages paid in each pay period, the number of hours worked each day, and the starting and ending times of work each day for each identified worker. The contractor or sub-contractor must also certify that each worker has been paid not less than a general prevailing hourly rate of pay which is required by law. Palatine Community Consolidated School District 15 will retain these records for no less than three (3) years. This requirement is to be met for any projects following the date of this notification. The certified payroll must be received at Joseph M. Kiszka Educational Service Center, Community Consolidated School District 15, 580 North First Bank Drive, Palatine, IL 60067, Attention: LINDA STYCZEN for retention. Any future payments will be withheld until CCSD 15 receives your certified payroll.

**Explanations**

**COOK COUNTY**

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.

TRUCK DRIVERS (WEST) - That part of the county West of Barrington Road.

**EXPLANATION OF CLASSES**

ASBESTOS - GENERAL - removal of asbestos material/mold and hazardous materials from any place in a building, including mechanical systems where those mechanical systems are to be removed. This includes the removal of asbestos materials/mold and hazardous materials from ductwork or pipes in a building when the building is to be demolished at the time or at some close future date.

ASBESTOS - MECHANICAL - removal of asbestos material from mechanical systems, such as pipes, ducts, and boilers, where the mechanical systems are to remain.
