

WALTER R. SUNDLING JUNIOR HIGH SCHOOL BAND DEPARTMENT

Welcome to the Walter R. Sundling Junior High School Band Department! Band is one of the most exciting and rewarding educational opportunities offered by our school. The goal of the WRS Band Program is to provide our students with the highest quality musical experience. Recent statistics indicate that students who participate in music are among the academically strongest in their schools. In addition to musical experience, band students also learn the importance of group cooperation, teamwork, self-discipline, self-esteem, perseverance and leadership.

Over 140 Seventh and Eighth Grade students are currently enrolled in the WRS Band Program:

<i>Flute: 21</i>	<i>Alto Saxophone: 22</i>	<i>Trombone: 12</i>
<i>Oboe: 1</i>	<i>Tenor Saxophone: 3</i>	<i>Baritone: 5</i>

<i>Bass Clarinet: 2</i>	<i>Trumpet: 28</i>	<i>Percussion: 24</i>

Our Band Program offers three performing ensembles: 7th Grade Concert Band, 8th Grade Symphonic Band and Jazz Band.

7th Grade Concert Band

Concert Band is offered as a Seventh Grade enrichment class to all students who have successfully completed Intermediate Band. Students are invited to continue their band experience on traditional band instruments. Band meets once during the school day as an enrichment class. Students are also required to attend one small-group lesson per week on a rotating schedule. Through the study of different time periods and styles, students will understand music as a form of communication which will expand their ability to listen, analyze and discuss concepts. Through daily learning, the band prepares and performs at concerts and events during and outside the school day.

8th Grade Symphonic Band

Symphonic Band is offered as an Eighth Grade enrichment class to all students who have successfully completed Concert Band. Students are invited to continue their band experience on traditional band instruments. Band meets once during the school day as an enrichment class. Students are also required to attend one small-group lesson per week on a rotating schedule. Through the study of different time periods and styles, Eighth Grade students will develop a relatively more advanced understanding of music as a form of communication which will expand their ability to listen, analyze and discuss concepts. Through daily learning, the band prepares and performs at concerts and events during and outside the school day. Eighth Grade students will also have the opportunity to make connections with their appropriate High School band program, teachers and students.

Jazz Band

Jazz Band is open to all Seventh and Eighth Grade students who qualify by audition. The Jazz Band seats a select group of musicians and is comprised of the following instrumentation: Alto Saxophone, Tenor Saxophone, Baritone Saxophone, Trumpet, Trombone, Electric Guitar, Piano, Bass Guitar and Drum Set.
