

# Virginia Lake PTA

## Direct Donation

The Virginia Lake PTA is a volunteer organization that works very hard to support student success by providing resources for all students, programs to enhance educational experiences, and sponsoring family events. Here are just a few of the resources, programs, and events coordinated and funded by the VL PTA:

- **Resources:** Newsletter, yearbook, School Calendar
- **Programs:** Cultural Arts Assemblies, Winter Wonderland of Reading, Reflections Art Contest
- **Events:** School picnic, Special Female Caregivers & Muffins, Special Male Caregiver & Donuts, School dance

**The PTA will spend approximately \$25 per student to provide all the resources, programs, and events this school year.**

We need your help to make these programs a reality! You can make a direct donation of any amount to the VL PTA. All donations are 100% tax deductible and will be used to directly benefit all our students through our various events and programs.

Return this form to school in envelope labeled:
